FY 2010 Municipal Aid Program

Dear Mayor Scapicchio:

Enclosed is one copy of the executed Agreements approved by the Department of Transportation for the above referenced project in the amount of \$250,000.00.

This project will be funded from the New Jersey Transportation Trust Fund Authority Act. State participation in the cost of the project is limited to 100 percent of the cost of the completed construction work including construction supervision, inspection and material testing, or the amount of the allotment, whichever is less.

The construction contract is to be awarded within 18 months from the date of the execution of the Agreement. Failure to make an award by **June 14, 2011** or to comply with the requirements of the Municipal Aid Regulations 16:20B and the Terms and Conditions of Grant Agreement for State Aid to Counties and Municipalities will jeopardize the use of State funds on this project. The regulations and terms and conditions can be found on the Local Aid Website at: www.state.nj.us/transportation/business/localaid/pubs.shtm

Through the approval of this agreement and all future agreements, the sponsor is required to provide phased submission updates that are to be tracked through the on-line SAGE System in accordance with the State Aid Checklist (see attached) for this project. Please note, that the Sponsor is responsible for continued updates with respect to the construction administration/management phase of the project in the SAGE System. The preparation of contract documents shall use the 2007 Standard Specifications as amended by the State Aid Special Provisions for Local Aid Projects. All requirements of this program can be found in the State Aid Handbook, available at the above website.

If you have any questions regarding the above, please contact Daksha Shah of this office at (973) 770-5071.

Sincerely,
