BFO File Number: 14-27-260

Dear Dorothea Johnson :

The New Jersey Department of Environmental Protection (Department) has completed review of the Remedial Investigation Work Plan received on March 28, 2008. The Department has determined that the Remedial Investigation Work Plan is in compliance with the Technical Requirements for Site Remediation, N.J.A.C. 7:26E and other applicable requirements. The Department hereby approves the Remedial Investigation Work Plan, effective the date of this letter.

Pursuant to the schedule applicable to the site you shall submit a Remedial Investigation Update on March 16, 2009. Please submit the document by that date, or submit a written request for an extension at least 2 weeks prior to the due date. Failure to submit the Remedial Investigation Update in accordance with the schedule may result in the initiation of enforcement action. For your convenience, the regulations concerning the Department's remediation requirements can be found at <http://www.state.nj.us/dep/srp/regs/>

Thank you for your cooperation in this matter. If you have any questions, call Thomas McClachrie at (973) 656-4428.

Sincerely,

Dave Oster, Section Chief  
Bureau of Northern Field Operations
