Re: I. The League Offers a Bid Specification Service

Start taking advantage of your member benefits!

In conjunction with the Governmental Purchasing Association of New Jersey (GPANJ), the League operates a specification service, which is available to all member municipalities. This service offers the ability to send out your bid specification requests to a listing of 450 purchasing agents. GPANJ will then contact you with the results.

To use the service, please visit our Purchasing Resource Center online at www.njslom.org/purchase_resource_center.html
