RE: Channel changes – December 3, 2009

On or about December 3, 2009, Comcast will add various High-definition channels to various levels of services. The complete list of channels and each channel's service level appears on the enclosed advertisement. High-definition equipment and subscription to the appropriate level of service are required. Additionally, on the same date **Bravo** will be added to channel 69, **Lifetime Movie Network** to channel 119, **Hallmark Movie Channel** to channel 157, and **Turner Classic Movies** to channel 169. All are on Expanded Service. Digital equipment is required to receive these channels. To accommodate these changes, the following channels will require digital equipment to view: *The Comcast Network* (channel 8), *WTXF* (Fox) (moving from channel 12 to 252) and *WFMZ* (moving from channel 18 to 257).

Comcast will notify customers of the additions via an advertisement in the Express Times on November 2, 2009. A copy is attached for your review.

Should you have any questions on this or another Comcast matter, please do not hesitate to contact Charles L. Smith, Director of Government Affairs, at 908.258.8143, or me at 908.851.6854.

Welcome to the World of More.

Great news! We've enhanced our network in Northwest. That means more features, more On Demand choices—and over 25 new HD channels.

Check out all the details at www.ComcastWorldofMore.com/Northwest

On or about December 3, 2009, we'll unveil a new HD lineup, with all your HD channels conveniently grouped together for easier viewing.
