Dear Municipal Clerk:

***Do Professional Firms that Provide Quality Services to Your
Municipality Deserve Broader Recognition?***

***A Trenton Office Location Can Help Them to Grow. Can You
Help Spread the word?***

At 222 West State Street, in the heart of Trenton's Statehouse Historic District, sits the Ferdinand Roebling Mansion. It has been restored to its deserved prominence as the new headquarters of The New Jersey State League of Municipalities.

***We have office space available for lease. It is ideally suited to
professional firms that work with State Agencies, municipalities and
the private sector.***

Tenants will appreciate the carefully restored mahogany paneling and plaster moldings, craftsmanship unique to the 19th century. They will welcome the modern amenities of a building updated to 21st century office standards. Single executive quality office rentals and small suites are available. Please circulate this information. Your help is appreciated!
