CERTIFIED MAIL

Re: Application for a Statewide General Permit Number 2
Block 107, Lot 3
Township of Mount Olive
Morris County, New Jersey
NJDEP File No. 1427-04-0017.1

Dear Ms. Lashway:

This letter is to inform you that Mount Olive Industrial Realty Company, LLC, is applying to the New Jersey Department of Environmental Protection for a Statewide General Permit Number 2 for the above-referenced property. The site is located at the intersection of International Drive and Waterloo Valley Road. The permit is requested to disturb 0.0195 acre (850 square feet) of transition area to connect a proposed commercial development to the existing sanitary sewer line along Waterloo Valley Road. This site has received a Letter of Interpretation (LOI) verifying the boundaries of the wetlands and classifying the wetlands as intermediate resource value (NJDEP File No. 1427-04-0017.1). Enclosed, please find legal notification Attachment A, and a complete copy of the application.

If you have any questions regarding this notice, please feel free to contact me.

Very truly yours,

EcolSciences, Inc.

OVERNIGHT MAIL

Re: Application for a Statewide General Permit Number 2
Block 107, Lot 3
Township of Mount Olive
Morris County, New Jersey
NJDEP File No. 1427-04-0017.1

Dear Mr. Fedorowycz:

In accordance with the Freshwater Wetlands Protection Act Rules (N.J.A.C. 7:7A-1 et. seq.), the applicant, Mount Olive Industrial Realty Company, LLC, is requesting authorization for Statewide General Permit Number 2 to disturb 0.0195 acre (850 square feet) of transition area to connect a proposed commercial development to the existing sanitary sewer line along Waterloo Valley Road. The site is located at the intersection of International Drive and Waterloo Valley Road. This site has received a Letter of Interpretation (LOI) verifying the boundaries of the wetlands and classifying the wetlands as intermediate resource value (NJDEP File No. 1427-04-0017.1). As required by Section 7:7A-10.2 and 10.4 of the Rules, enclosed, please find the following information:

1. A completed Freshwater Wetlands General Permit Authorization Application Checklist and Fee Table.
2. A completed LURP-2 form.
3. A check for **\$5,600.00** made payable to "Treasurer, State of New Jersey" for the application fee.

Statewide General Permit Number 2	= \$600.00
Major Development/Stormwater Review Fee:	= \$5,000.00
(For more than 3 and up to 10 acres land disturbance, and more than 1 and up to 3 acres impervious surfaces)	
Total	= \$5,600.00
4. A copy of the letter to the Township of Mount Olive Clerk transmitting a complete copy of the request for a General Permit and verification of the certified notice.
5. Verification that legal notification (Attachment A) has been sent to the Township of Mount Olive Clerk, Planning Board, Environmental Commission and Construction Official, the Morris County Planning Board, and property owners within 200 feet of the legal boundary line. Certified mail notices and a certified list of property owners are attached.
6. Copies of the USGS Stanhope, New Jersey quadrangle, up to date local road map, Landscape Project map, and Historic Resources figure with the site clearly indicated.

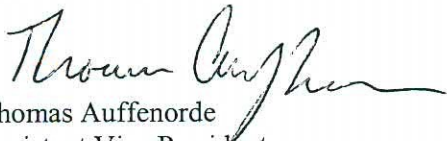

Mr. Mark Fedorowycz, Supervisor
October 2, 2008
Page 2

7. Color photographs showing the portion of the site that will be disturbed by the proposed activity.
8. A Statement of Compliance describing the project and proposed activities as well as a list and description of compliance of all limits and requirements at N.J.A.C. 7:7A-4.3, 7:7A-5.2.
9. A letter from the applicant certifying that the proposed activities will not result in any direct or indirect adverse impacts to swamp pink and/or bog turtle.
10. A copy of the approved LOI.
11. A copy of the deed and/or other relevant documents pertaining to the site showing and/or describing property boundaries, ownership, easements, restrictions, previous approvals, etc. that will assist the Department in assessing compliance with the Freshwater Protection Act Rules.
12. A copy of the response from the Natural Heritage Program regarding threatened and endangered species.
13. Five folded copies of the "Wetland Permitting Plan" as prepared by Chester, Ploussas, Lisowsky Partnership, L.L.P.

Please feel free to contact me if you have any questions regarding this application.

Very truly yours,

EcolSciences, Inc.
