President &  
Members of the Council  
Mt Olive Township  
204 Flanders-Drakestown Rd  
PO Box 450  
Budd lake NJ 07828

Dear President & council members:

**RE: 226 Route 206, Flanders NJ 07836, Approved site plan**

I am very grateful to all council members that you have kindly looked into the above captioned property to develop in Mt. Olive.

On November 12, 2009 I attended the Highland Council meeting in Chester. The council passed a resolution to allow their staff: Ms. Eileen Swan, and Mr. Thomas Borden to conduct map modifications to RMP as requested by respective Townships. Eileen Swan also told the council that they are currently working with Mt. Olive Township regarding one landfill site in Mt Olive.

The Highland Council members discussed that they would allow such map modifications, waivers etc., as part of overall refinement to RMP changes mostly as requested by the Township, and applicants on case by case basis.

As I understand that Mr. Chuck McGroarty has recommended that Mt Olive council could request for the map modification for the 226 Route 206 site. It is a perfect timing to request map modification for Block 5300, Lot 16 (226 Route 206) from the Highland Council. However, this map modification request should be soon forwarded to Ms. Eileen Swan and Mr. Thomas Borden so that the approval process continues. If approved, it would bring another good ratable, and employment in Mt Olive Township.

I am looking forward to your kind assistance in this matter.

Sincerely,

Tariq Mahmood, Ph.D.
