October, 2008

Dear Friend of M.O.C.C.L.C:

Thank you so much for your recent participation in our Annual Golf Outing. It was a wonderful day, we once again had great weather, and I hope you enjoyed it as much as I did.

As you know, the proceeds will benefit the children of the Center, a 501(C)(3) registered public charity which has offered high quality, affordable child care and family support services to the community since 1976. This past year MOCCLC attained re-accreditation for the pre-school programs from the National Association for the Education of Young Children (NAEYC), under its new rigorous standards. In addition, the school age program achieved accreditation from the National Afterschool Association (NAA). Only a handful of centers achieve these accreditations; NAEYC is considered The "gold standard" nationally.

The funds raised during this event will go a long way to provide much needed scholarship money to subsidize those families unable to afford the full fee. The need is greater than ever, and with funding sources becoming more and more scarce, these monies will certainly benefit many families.

Thank you again for your support. We look forward to seeing you again next year.

Sincerely,

Barbara E. Melveger
