to whom it may concern,

The Cablevision of Morris Direct Sales Team will be working in the Flanders area throughout the month of January 2010. We appreciate the courtesy of the permit exemption as a company regulated by the State Board of Public Utilities as confirmed with your Town Clerk.

Attached is a list of the people who will be knocking doors in Flanders to market the IO Family of products including Cable TV, Internet and Telephone Service. To the best of our ability, we have included the Driver's License numbers, License Plates, as well as Make / Model / Color of our representatives cars.

Should you need any additional information, or have difficulty with any of our representatives please contact Sales Supervisor David Heimroth 973-219-8063, Sales Supervisor Scott Lemly 201-206-9984, or myself.

Thank you,

A handwritten signature in black ink that reads 'John Raynolds'.
