Subject: NJRA RTI Workshop: Financing Tools for Redevelopment

Dear Municipal Clerk:

Please bring this information to the attention of your elected officials and any staff involved in local redevelopment activities.

The NJRA Redevelopment Training Institute (NJRA RTI) offers intensive intermediate-level training courses that focus on the redevelopment of New Jersey's communities. NJRA RTI has been designed to provide nonprofit and for-profit developers, professional consultants, entrepreneurs and city/county staff with a body of knowledge of the redevelopment and real estate development process.

The goal of NJRA RTI is to provide classroom instruction outlining the nuances of the redevelopment planning process in New Jersey, to focus on real estate development and to unlock the key to understanding real estate finance. In addition to its regular offering of redevelopment training courses, the Redevelopment Training Institute offers a host of one-day workshops. These workshops cover both key topics and specialized issues surrounding redevelopment issues. Each session is interactive and focuses on real life experiences, best practices and tools you can bring back to your respective areas.

NJRA RTI has made scholarship opportunities available to municipalities that wish to enroll in the Institute. Register Today! For more information, visit <http://www.njra.us/rti>. RTI Hot line: 609-292-0031.

Attend the NJRA Redevelopment Training Institute and become better prepared to carry out redevelopment decisions.
