Dear Municipal Clerk:

Please review the following two upcoming events and please share the information with appropriate staff.

#### Women's Celebration Day

The New Jersey State League of Municipalities is proud to announce their FIRST Annual Women's Celebration Day event on March 13, 2009 at the Princeton Marriott Hotel, Princeton, New Jersey, from 9:00 to 11:30 a.m. This timely event honors the contributions of women in public service, and it coincides with the celebration of Women's History Month. Our Special Guest Speaker will be the Honorable Christine Todd Whitman, Former Governor of our great State. For more information and registration, go to <http://www.njslom.org/WIMG-invitation.html>

#### 16th Annual History Issues Convention

You are cordially invited to attend the 16th Annual History Issues Convention. The title is "DOLLAR\$ for HISTORY: How history organizations can raise and manage money in tough times" and takes place Friday, March 20, 2009 at the Trenton War Memorial. This conference will provide you with ideas and guidance on how to weather the current recession. Experts will give presentations on such topics as strategies in the face of adversity, fundraising, managing volunteers, non-traditional marketing, and getting grants -- plus nonprofit basics such as incorporation, charity registration, tax exemption, and insurance. We hope you will take this opportunity to network with your history colleagues. The conference includes continental breakfast, lunch, and exhibits by NJ history organizations.

Who should attend: staff, board members, and volunteers from nonprofit organizations; government employees, educators; archivists; librarians; historic preservationists; tourism industry employees; and anybody who wants to see history survive and flourish in our state - all are welcome. To get complete information on the conference, including a detailed schedule of events and registration form, visit the following website and click on this link to the History Issues Convention.
