

6th Annual Morris County Municipal Summit

Who Should Attend

- ◆ Elected Officials
- ◆ Municipal Managers and Administrators
- ◆ Planning Board Members
- ◆ Board of Adjustment Members
- ◆ Economic Development & Redevelopment Committee Members
- ◆ Engineers, planners, and attorneys who advise municipalities on land use, zoning, and permitting issues

Why

The Summit's objective is to provide municipal leaders with ideas and tools that they can bring back and apply to specific issues and challenges confronting their local communities.

Is your municipality asking any of the following questions?

- Would your municipality like to see its downtown thrive?
- Would it benefit your municipality's planning efforts to learn about local smart growth projects and principles?
- What do you need to know about smart growth and the tools available to municipalities?
- What are the Department of Community Affairs's priorities for budget year 2009-2010 and how can your municipality benefit?
- Is your community interested in ways to meet affordable housing quotas?
- What process can be used to build compliant affordable housing that the community and municipality can afford?
- Who can answer the toughest questions on the impact of third round regulations?
- How can your municipality best explore the new Council on Affordable Housing regulations?
