Seminar to Address Issues of Fraud and Forensic Accounting

Henry Rinder and Robert Schindler will explore techniques to detect, investigate and deter fraud at a seminar hosted by the New Jersey State League of Municipalities on **Thursday, February 12th at Mercer County Community College**. The seminar begins at 8:30 am and concludes at 1:00 pm. (Registration links below.) The seminar will discuss the key difference between fraud detection and typical external or internal audits. Continuing education credits are available. Messrs. Rinder and Schindler are members of the accounting and consulting firm of Smolin Lupin and both are experienced forensic accountants and CPAs.
