Re: Survey on Municipal Budget Cuts and Cost Efficiencies

Dear Municipal Clerk:

In these difficult economic times, officials at all levels of government are trying everything they can think of to reduce their budget. The League of Municipalities is considering preparing a report that may be the basis of an article for our magazine summarizing what municipalities are doing to reduce costs and improve efficiencies.

In that vein, we hope you would be willing to forward the following short questionnaire to your governing body or manager/administrator. Please ask them to complete this by **Friday, March 19th**.
