Auction Liquidation Services has incorporated a state-of-the-art 5-day online auction for single or multiple items, to give the maximum exposure for higher returns, allowing your agency to cut government costs on the long term storage of items, expensive labor and overtime. We provide a full service and a self service program. In 2008, Mercer County placed their first online auction of vehicles and equipment with a record breaking sale of \$235,993.
