## LEAGUE ALERT

Municipal Clerk: Please forward to Mayor and Governing Body.

March 27, 2009

**Re: Workshop on "Green Schools" Scheduled**

Dear Mayor:

If your municipality has school construction or upgrades in its plans, the United States Green Building Council – New Jersey Chapter, has a workshop being held on April 27 concerning the building of "Green Schools" that may be of great interest to you. Learn about the health, environmental, and community benefits of green schools.

The course instructors will conduct a complete review of the LEED (Leadership in Energy and Environmental Design) for Schools Rating System and will explain how to apply it on school projects, providing the tools and insights needed to incorporate these green standards into your community. Case studies will be provided and analyzed.

The course will be held on April 27, 2009, from 8:30-5.00 p.m., at:

The County College of Morris  
Student Community Center  
Davidson Room B-C-D  
214 Center Grove Road  
Randolph, NJ 07869

For further information and /or registration, please go to: <http://www.usgbcnj.org>  
Very truly yours,

William G. Dressel, Jr.  
Executive Director NJLM  
222 West State Street  
Trenton, NJ 08608
