PWSID No. NJ1427002
Permit Application No. WCP080006

Dear Mr. Stern:

Your application dated December 2nd, 2008 for a Construct New Interconnection Permit to construct, modify and operate Public Water Works has been reviewed and determined to be **ADMINISTRATIVELY COMPLETE**. This application proposes 14 L.F. of 8 inch CLDIP water transmission main to interconnect the Mount Olive Water Department - Goldmine System to the Morris Chase / Morris Hunt Public Community Water System's (NJ1427018) 1.5 MG storage tank, increasing Goldmine System's available storage capacity, located in Mount Olive Twp, Morris County, New Jersey.

Accordingly, your application has been assigned for technical review to Wade Wertman. Please note that during technical review, the assigned reviewer may request additional information.

The Department maintains various web reports that can assist you in reviewing the progress of your permit application and these are available at:
http://datamine2.state.nj.us/dep/DEP_OPRA/index2.html and click on Pending Permits Progress Reports.

Should you have any questions, please contact Wade Wertman at (609) 984-6831 or by e-mail at Wade.Wertman@dep.state.nj.us. When contacting the Department regarding this application always reference both the PWSID No. NJ1427002 and assigned Permit Application No. WCP080006.

Sincerely,

James R. Montgomery
