RE: Channel Additions

On or about July 30, 2009, Comcast will add *ESPNU* to the Digital Classic level of service on channel 730. Digital equipment is required to view this channel. *ESPNU* is a 24-hour college sports network. Also on that date, ESPN News (ch. 102) and MLB Network (ch. 738 and HD ch. 191) will be available on both the Sports Entertainment Package and Digital Classic.

On or about September 1, 2009, Big Ten Network college games will be carried on channels 711-714 in the Sports Entertainment Package, with the primary game available on channel 715.

Comcast is notifying customers of the addition via an advertisement in the Express Times on July 28, 2009.

Should you have any questions on this or another Comcast matter, please do not hesitate to contact Charles L. Smith, Director of Government and Community Affairs, at 908.258.8143 or me at 908.851.6854.
