**Re: Highlands Preservation Area Approval Application
Robert Smith
Block 12, Lot 4
226 Drakestown Road
Washington Township, Morris County**

Dear Ms. Lashway:

Please find the enclosed copy of the Highlands Preservation Area Approval application (HPAA) and supporting materials, as prepared for the above referenced property and submitted to the New Jersey Department of Environmental Protection's Division of Land Use Regulation (NJDEP).

This application is provided in accordance with the HPAA checklist, which requires that a complete copy of the application as sent to the NJDEP, including all materials requested therein, also be sent to the clerk of the Municipality in which the proposed regulated activity will take place. In this case, the development is proposed in Washington Township, however, the property is within 200-feet of the Township of Mount Olive.

A HPAA is an approval from the NJDEP to construct a major Highlands Development within the Highlands preservation area. The enclosed application describes in detail the proposed development of Block 12, Lot 4, into a three-lot subdivision with three 4-bedroom homes and three associated individual subsurface disposal systems.

The NJDEP will provide a copy of the HPAA approval to the Mount Olive Township Municipal clerk, Environmental Commission and Planning Board.

Sincerely,

A handwritten signature in cursive script that reads 'Amy Klimek'.
