ASSEMBLY BILL

No. 520

Introduced by Assembly Member Carter

February 25, 2009

An act to add Section 6256 to the Government Code, relating to public records.

LEGISLATIVE COUNSEL'S DIGEST

AB 520, as introduced, Carter. Public records.

The California Public Records Act requires state and local agencies to make their records available for public inspection and, upon request of any person, to provide a copy of any public record unless the record is exempt from disclosure.

This bill would, whenever it is made to appear by verified petition, authorize a superior court to issue a protective order limiting the number and scope of requests a requestor may make under the act. The bill would require the court, in issuing the order, to determine that the requestor has sought records under the act for an improper purpose, including, but not limited to, the harassment of a public agency or its employees.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 6256 is added to the Government Code,
- 2 to read:
- 3 6256. (a) Notwithstanding Section 6257.5, whenever it is made
- 4 to appear by verified petition to the superior court of the county

1 in which a requestor for public records under this chapter resides  
2 or has a primary place of business, the court may issue a protective  
3 order limiting the number and scope of requests a requestor may  
4 make. The court may issue the protective order if it determines  
5 that the requestor has sought records under this chapter for an  
6 improper purpose, which includes, but is not limited to, the  
7 harassment of a public agency or its employees. The petition shall  
8 be accompanied by a declaration of facts by the public agency  
9 withholding the records demonstrating that it has complied with  
10 Section 6253.1 and has made a good faith effort to reach an  
11 informal resolution of the issues relating to the records request.

12 (b) The order specified in subdivision (a) may limit, or in  
13 appropriate circumstances, eliminate, the public agency's duty to  
14 respond to public records requests from the requester in the future.

15 (c) In an action filed on or after January 1, 2010, an order of  
16 the court, either limiting the number or scope of disclosure requests  
17 or eliminating the public agency's duty to respond to records  
18 requests from the requester in the future, is not a final judgment  
19 or order within the meaning of Section 904.1 of the Code of Civil  
20 Procedure from which an appeal may be taken, but shall be  
21 immediately reviewable by petition to the appellate court for the  
22 issuance of an extraordinary writ. Upon entry of any order pursuant  
23 to this section, a party shall, in order to obtain review of the order,  
24 file a petition within 20 days after service upon him or her of a  
25 written notice of entry of the order, or within further time not  
26 exceeding an additional 20 days as the trial court may for good  
27 cause allow. If the notice is served by mail, the period within which  
28 to file the petition shall be increased by five days. A stay of an  
29 order or judgment shall not be granted unless the petitioning party  
30 demonstrates that it will otherwise sustain irreparable damage and  
31 probable success on the merits. Any person who fails to obey the  
32 order of the court shall be cited to show cause why he or she is not  
33 in contempt of court.

34 (d) For the purposes of this section, the county of residence  
35 shall include any return address listed on the original letter  
36 requesting the public records.
