Highlands Applicability and Water Quality Management Plan (WQMP)
Consistency Determination Application Form
(Highlands Applicability Determination)

PLEASE TYPE OR PRINT CLEARLY

For tips on filling out this application visit: www.nj.gov/dep/highlands/hadshelp.htm

Note: Pursuant to N.J.A.C. 7:38-2.4(a) any person proposing to undertake an activity that constitutes a major Highlands development may stipulate that their proposed project or activity that needs a Department permit is not exempt from the Highlands Act vis-à-vis an application for a Highlands Preservation Area Approval without first obtaining a Highlands Applicability Determination.

This form includes the following four sections:

Section I. General Highlands applicant information;

Section II. Information for determination whether a project or activity is a major Highlands development;

Section III. Information for determination whether Highlands regulatory requirements are applicable to a project or activity; and

Section IV. Information for determination whether the project or activity is consistent with the Areawide Water Quality Management Plan (WQMP).

Complete all sections of the form and provide two copies of the form and all attachments:

Section I. General Highlands Applicant Information
