Re: Status of MSA Wastewater Management Plan  
Received in your Department May 19, 2008  
Musconetcong Sewerage Authority, Morris County, NJ

Dear Mr. Baier,

This correspondence is in response to your Amendment Disapproval letter regarding the Combe Fill North Landfill, Block 4100, Lot 10, Mount Olive Township, Morris County, New Jersey dated July 23, 2008. Be advised that the third paragraph of the second page incorrectly states that "*the Musconetcong Sewerage Authority (MSA) Wastewater Management Plan adopted by NJDEP in 1993 is out of compliance since the Wastewater Management Plan has not been updated and submitted to NJDEP*".

The Musconetcong Sewerage Authority prepared a detailed, updated Wastewater Management Plan in accordance with NJDEP's regulations (at a cost exceeding \$100,000) and submitted same to NJDEP on May 19, 2008 by same-day FedEx (see Attached FedEx tracking slip confirming delivery at 9:40 a.m. 5/19/08). As of this writing, NJDEP has not acknowledged receipt of MSA's Updated Wastewater Management Plan.

Please acknowledge receipt of our updated Wastewater Management Plan at your earliest convenience; and also, advise MSA the status of your review of same.

Very truly yours,

MUSCONETCONG SEWERAGE AUTHORITY

  
Steven Rattner, Chairman
