WHEREAS, on July 19, 2009 the Township had a total well failure due to the well wall collapsing on #4 of the Tinc water system; and

WHEREAS, well #3 was also affected due to the proximity of the two wells which left both wells non-functional; and

WHEREAS, the Director of Public Works had no alternative than to seek immediate repair of the situation or to leave the residents without water, and he immediately contacted WM Stothoff for repair services; and

WHEREAS, WM Stothoff reported to the scene and completed the necessary restoration and repair so that the emergency situation was satisfactorily corrected; and

WHEREAS, the Township has now received a bill in the amount of \$32,455.50 which indeed is necessary and appropriate for the Township to pay, as the materials and services were promptly provided by WM Stothoff.
