Re: Application for a Letter of Interpretation: Line Verification  
Block 103, Lot 2.04  
Township of Mount Olive  
Morris County, New Jersey

Dear Ms. Lashway:

This letter is to inform you that The Rockefeller Group is applying to the New Jersey Department of Environmental Protection, Division of Land Use Regulation for a Letter of Interpretation to verify the delineated limits of wetlands within Block 103, Lot 2.04 in the Township of Mount Olive, Morris County. The 8±-acre parcel is located on International Drive near the intersection with Clark Drive. The site is currently developed with one large commercial/light industrial building and associated parking areas, and the remainder of the site is characterized by maintained lawn, wetland forest, and upland successional field. Please find enclosed a complete copy of the application including a copy of the legal notification regarding the application (Attachment A).

If you have any questions regarding this notice, please feel free to contact me.

Very truly yours,

EcolSciences, Inc.
