“Municipal Liens”

December 2, 2009
8:00am-12:00pm

**PNC Bank Arts Center
Holmdel, NJ**

“Participants will be educated upon the various statutes that allow municipal charges to be turned into municipal liens. The panelists will review tax liens, water and sewer liens, cut and clean liens, liens for cleaning up a nuisance and other types of municipal liens. The seminar will focus on how to create a valid lien and what needs to be done to avoid having a court later invalidate the lien. The seminar will also explain what municipal charges cannot be turned into liens and other statutes that may assist municipalities in collecting unpaid fees.”

Programs

In addition to these sessions, you might want to attend the First Annual NJLM Educational Foundation **Sustainable Jersey Luncheon** at 12:00 noon on Tuesday, November 17. This will be Sustainable Jersey's chance to recognize, and your chance to hear from, local officials who are helping to make our State the National leader in sustainability. If you would like tickets for this limited seating event (\$35.00 per), contact Ms. Gayle Krygier at 609-695-3481, ext. 119.

Very truly yours,

William G. Dressel, Jr.
Executive Director

RE: III. Use of Force, Risk Management & Legal Strategies Seminar

Dear Mayor:

On Monday, September 28, 2009, in Little Egg Harbor, NJ, TASER International, through the TASER Training Academy and in conjunction with the FBI National Academy Association, has put together a one-day program specifically designed for law enforcement executives and government risk managers, legal counsels and medical advisors. Topics include an overview of TASER electronic control devices, use-of-force legal and policy issues, medical information and risk mitigation.

Attendees will receive substantial factual information as to how TASER electronic control devices incapacitate individuals, how these devices fit into law enforcement use-of-force deployment strategies, training considerations, various policy recommendations (including IACP, PERF and others), what medical studies are being performed and the current findings, the effects of TASER devices on liability exposures and on reducing officers' and suspects' injuries.

Attendance to this course is limited to current law enforcement executives and their designees, elected officials, government officials, government legal counsels, risk managers, and medical advisors, The seminar is being hosted by the New Jersey Chapter of the FBI Academy and the Ocean County Sheriff's Office.

Location:

Inn at Sea Oaks
99 Golf View Dr.
