Dear Ms. Desmond:

In response to your letter dated August 12, 2008 (copy attached hereto) concerning the above application, enclosed please find the following requested information:

1. Copy of Deed dated April 9, 2001 for the predecessor in title for Block 2209, Lot 10 that was recorded in the Morris County Clerk's Office on April 10, 2001 in Deed Book 5354, Page 238 verifying that the lot was legally existing on August 10, 2004.
2. Revised, Certified Plans, indicating the accurate lot and block of the project site in the title as Lot 10, Block 2209.
3. Revised Section IV, Page 15 of the current application including the NJPDES Permit No. NJ0027821 and permit capacity of the treatment plant as 4.3/MGD.

4. Letter dated August 19, 2008 from the Engineers for the Musconetcong Sewerage Authority verifying the existence and extent of the wastewater collection infrastructure on August 10, 2004, and that adequate capacity is available.

5. Letter from the Director of Public Works of the Township of Mount Olive confirming that Block 2209, Lot 10 is part of the Budd Lake Sewer System established in the year 1997 and presently has adequate sewer allocation and had an available allocation on August 10, 2004.

6. The Narrative Description of proposed project on Page 3 of the Application has been revised to reflect the accurate Block of the proposed site;

7. A new certification/signature page including the revision date.

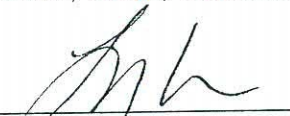

A copy of this letter and supporting documentation is also being sent to parties listed at N.J.A.C. 7:38-9.2(b)5 and I have enclosed a proof of mailing pertaining to same.

Kindly confirm your receipt of the within by signing a copy of this letter and returning same to me in the enclosed envelope.

Very truly yours,
