

Summer 2008 Wind Energy Symposium

For

New Jersey Municipality Officials

Monday 11 Aug. 2008

8:30 AM – 2:00 PM

Dear Official,

We are pleased to invite you to attend Rowan University's "Summer 2008 Wind Energy Symposium" on Monday August 11th, 2008.

This symposium is designed to help municipalities harness wind energy to reduce energy costs and will serve as a forum for the exchange of ideas among scholars, practitioners, and vendors of wind energy technologies. It will feature presentations and displays on current wind energy technologies, rebates, and incentives from state and federal agencies.

The symposium will be held in the Betty Long Rowan Auditorium at Rowan University in Glassboro, NJ. We are seeking a diverse audience of municipality officials from various municipalities across the state of New Jersey who are interested and willing to shape and promote the future of clean energy. We hope to see you at Rowan University for what is sure to be an exciting and productive event.

Regards,

Dr. Peter Jansson
Dr. William Riddell
Dr. Krishan Bhatia
Dr. Jess Everett
Christopher Moore
Rowan University Clean Energy Team
