County College of Morris  
Geiger Nursing Scholarship

Dear Mayor & Council Members:

I am writing to ask if you would like to join a Friends of Sandy Geiger group to help fund a nursing scholarship at the County College of Morris in honor of Sandy and in memory of Nick.

Several years ago trustees of the College Foundation raised \$14,000 for a community nursing scholarship. Since then, the CCM Foundation has made a number of grants to students in the nursing program. Even though the cash awards have been small, they have made a difference as to whether a person could afford to enroll and continue in the College's program.

We are now undertaking to raise at least an additional \$11,000 in order to permanently endow this scholarship and rename it the Sandy and Nicky Geiger Community Nursing Scholarship. This will accomplish two objectives: It will allow us to recognize Sandy, a school nurse, for her 28 years of volunteer service on the CCM Board of Trustees and Nick for his community service. It will also allow CCM to make larger and more grants to ensure that more of the most qualified students have the means to pay for their nursing education.

I would be pleased if you would join our friends group in this scholarship endowment effort to recognize Sandy and Nick. A contribution in any amount (\$10, 25, other) to the CCM Foundation- Geiger Scholarship will be greatly appreciated.

Thank you for considering my request.

Sincerely,

*Tom Margetts*
