Dear Mayor and Council:

On behalf of Temple Hatikvah, I would like to invite you to an upcoming event which I think you will find most interesting.

As you may know, Temple Hatikvah sponsors a Speakers Series through which noted individuals visit to discuss related issues of importance. Our next event is scheduled for Sunday, April 13th from 11:00 a.m. to 12:30 p.m. At that time Etzion Neuer, New Jersey's Regional Director of the Anti-Defamation League, and member of The Advisory Board to The New Jersey Human Relations Council, will be discussing the trends of Anti-Semitism in America in our current climate. The event is sponsored by Temple Hatikvah's Men's Club, Sisterhood, The Mount Olive Public Library and the New Jersey Anti-Defamation League and is open to the public. There is no charge to attend and, as always, we would welcome your attendance.

Should you have any questions, please do not hesitate to contact me via email at srosenstein@mww.com or at my home number which (973) 252-5469.

Thank you for consideration.

Sincerely,

Seth Rosenstein
Trustee

***Anti-Semitism Today:
Global To Local Trends***

Sunday, April 13, 2008

11:00 A.M. – 12:30 P.M.

Anti-Semitism has plagued the world for centuries; disrupting lives, decimating religious communities, creating social and political upheaval, and complicating relations between countries as well as the work of international organizations.

Are we becoming a more tolerant and accepting society; making progress toward mitigating Anti-Semitism? What are the trends of today? How is Anti-Semitism manifesting itself overseas? In the United States? And, right here in New Jersey?

Etzion Neuer, New Jersey's Regional Director of the Anti-Defamation League, and member of The Advisory Board to The New Jersey Human Relations Council, will examine these, and other questions. This discussion will be illustrated by examples of local incidents and recent surveys, and will include dialogue on how to build intergroup/interfaith community understanding to reduce bias and stereotypes.

Discussion and Reception to follow.
