Dear Municipal Clerk:

The N.J. State League of Municipalities and Governor Corzine's Office is planning a series of briefings on different aspects of the State's fiscal crisis. The first briefing will focus on the approximately 300 communities with populations under 10,000 that face cuts in Consolidated Municipal Property Tax Relief Act (CMPTRA) funding.

DCA Commissioner Joe Doria and Division of Local Government Services staff will be joined by representatives from the Governor's Office to brief elected and appointed officials of the issues, with time will be set aside for questions and answers. The meeting will take place on Thursday March 6, 2008, from 9:00 a.m. to Noon. It will be held in the George Washington Ballroom of Trenton's War Memorial Building in Trenton.

Registration and additional details are on the League's website at [www.njslom.org/budget-briefing-10k.html](http://www.njslom.org/budget-briefing-10k.html).
