To Whom It May Concern:

I would like to comment on a Mr. Tim Quinn of your Road Dept. A snowplow took out my mailbox (3rd time this winter) and I called City Hall. Mr. Quinn was such a nice, polite, professional young man, he was a pleasure to deal with. My mailbox was promptly repaired and put back up by the city. It is rare these days to deal with such a wonderful and helpful attitude. He should be commended for an excellent job. Thank you!!

Sincerely,
 Alice Randall-Riley
