**Re: 2008 Morris County Historic Preservation Trust Fund
Former Baptist Church**

Dear Mayor  Scapicchio,

I am pleased to inform you that the Morris County Board of Chosen Freeholders has approved the funding in the amount of \$67,280 to the Former Baptist Church project. The Freeholders approved the funding based upon the recommendation of the Morris County Historic Preservation Trust Fund Review Board, which reviewed a total of 25 applications. The 1855 Baptist Church is listed on the Historic Registers. The Township has completed the Construction Document for the roof and window work. This grant will include removal of the stained glass windows and restoration of the original windows. The smaller existing windows will be restored. Utility hookups will be extended underground into the building and a gas furnace installed.

Thank you for your interest in our program. I hope your project is a success. If you have any comments or questions, feel free to call Ray Chang of the Morris County Department of Planning, Development and Technology at (973) 829-8120. A formal grant agreement will be forthcoming.

Best Regards,

Margaret Nordstrom
Freeholder Director
