The **New Jersey State Police** frequently receives inquiries from parks and recreation departments on the regulations and procedures for obtaining an individual's criminal history record. This workshop will assist you in answering the most common questions asked about this process, including how to enter into an agreement with Volunteer Review Operations (VRO) to participate in the program. Contract vendor **Sagem Morpho Inc .**, which provides the electronic fingerprint live scan services for VRO background checks, will

outline their services and procedures. Participants will also learn the disqualifiers enumerated in law from which the VRO reviews and makes determinations. Information on securing grants through the **Megan Nicole Kanka Foundation** will also be shared.

Local officials with responsibility for securing background checks for both employees and volunteers should attend this session and carefully review this program!

The Recreator's Day Fall Workshop features a Family Style Lunch starting at 12:00 noon INCLUDED with your workshop registration. Following the workshop, join us in the lounge for our fall social with a cash bar and menu. There is NO CHARGE for colleagues, friends and family to join us this year starting at 4 pm as we relax in the Maggiano's Little Italy's lounge, where a warm and inviting setting provides the perfect atmosphere to relax and unwind.
