Field Fees are based a number of criteria including profit or non-profit status, number of participants and number of requested dates/fields. Ranges from \$1 person (single use, non-profit group) - \$250 per field per season or week of camp.

Tournament fees: Sports tournaments require specific parks staff work, as well as a certain level of damage to fields/facilities that must be remediated, a tournament fee is appropriate. Fees are based on a formula considering the number of days of the event, number of fields used, preparation and clean-up man hours supplied by Parks, Buildings and Grounds, Overtime charges for staff on weekends and holidays, township materials and supplies needed for the event, signage, etc.
