

Calling all Preschool Kids!

Come play with us!

Are you looking for a way to help your child learn those social cues and have a little fun while doing it?

Well, we're starting a play group just for preschoolers!

Starting in June we will be meeting at a different local park every Friday at 5:00 pm. Siblings are welcome!

If you're interested please fill in the form below and return it to school. Please contact Minal Ranade with any questions at 908.850.8790 or check online for more details: <http://web.mac.com/vbreschard/PEAK>
