William Stroud
Block 7000, Lot 82
69 River Road

Dear Ms. Lashway;

On behalf of our client, William Stroud, and in accordance with NJDEP regulations, Careaga Engineering Inc. is providing you with a complete copy of the Highlands Applicability Determination Application. Mr. Stroud is proposing to develop the above captioned property with a single family dwelling with associated driveway, septic system and private well. The site falls within the Highlands Preservation area which requires this application to be filed with NJDEP Division of Watershed Management.

If you have any questions or require any further information, please contact me at (973) 448-0651.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Luther E. Van Pelt III'.

To Whom It May Concern:

On behalf of our client, William Stroud, Careaga Engineering Inc. is submitting a Highlands Applicability Determination Application. Mr. Stroud is proposing to develop the above captioned property with a single family dwelling with associated driveway, septic system and private well. The site falls within the Highlands Preservation area which requires this application to be filed with NJDEP Division of Watershed Management. The following information is included in this submittal:

1. 1 completed Highlands Applicability & Consistency Determination Application form;
2. 1 check (#2714) in the amount of \$750.00 for the application fee;
3. 1 copy of a Municipal Tax Map;
4. 1 copy of a U.S.G.S. Map;
5. 1 copy each of notification letters to the Township Clerk and the Highlands Council;
6. 1 copy of Attachment A-Notice to County or Municipal Commissions, Boards and Officials;
7. 1 copy of property deed;
8. 1 copy of notarized statement that property lines have not been altered;
9. 1 copy of the Existing Conditions (Survey) Plan, signed and sealed by a licensed land surveyor, dated 4/28/08;
10. 1 copy of the Highlands Disturbance and Impervious Cover (Site) Plan, dated 4/25/08;
11. 1 copy of signed and sealed Limit of Disturbance description for existing and proposed disturbances.

If you have any questions or require any further information, please contact me at (973) 448-0651.

Sincerely,

Careaga Engineering Inc.
