Re: Mars MVP Week

Dear Mayor Scapicchio and Town Council,

During the week of June 2 – 6, 2008, Mars associates across North America will come together to make a powerful impact on local communities during the second annual Mars Volunteer Program Day (MVP). This North American coordinated effort will demonstrate how Mars associates are making a difference in their communities and serve as a testament to how we live our corporate principles each day.

MVP Week activities will support one of four themes that tie to our business: youth enrichment, hunger relief, animal welfare and the environment. MARS' Corporate Office has selected the following charity partners for volunteer support on Friday, June 6, 2008:

Common Sense for Animals (Stewartsville, NJ); BARK (Byram Animal Rescue Korps); Pet Adoption League; Food Pantry (Washington, NJ); Food Pantry (Phillipsburg, NJ) (Part of NORWF&SCAP); St Hubert's (Madison, NJ); NJ Division of Parks & Forestry; Big Brothers/Big Sisters Bowl-a-thon in Washington, NJ; Worthington State Forrest; Jenny Jump State Park (Hope, NJ); Catholic Family and Community Services

We would like to invite you to join us as we make a difference in Mt. Olive. Your participation in this meaningful program will help demonstrate the true power of public-private partnership in making a real difference in our community.

We also would like to request an official letter of appreciation (please see the attached draft) recognizing the volunteer efforts of Mars associates in Mt. Olive. We would like

to share this letter with our associates on June 6th as we send them off energized and excited to make a difference in Mt. Olive.

Should you have any questions, or would like to send a faxed copy of the letter of appreciation in advance of the MVP, please contact Nikia M. Reali at 908-753-8300.

I look forward to speaking with you soon.

Sincerely,
