For reference purposes, those portions of this Agreement denoted with Roman numerals (I, II, III, etc.) shall be referred to as sections, those portions denoted with alphabetical characters (A, B, C, etc.) shall be referred to as paragraphs, and those portions denoted with standard numbers (1, 2, 3, ETC.) shall be referred to as subparagraphs.

## **SECTION II - AGREEMENT TERMS GENERAL**

This Agreement made a part thereof, shall be in full force as of January 1, 2019 and shall remain in effect through December 31, 2021.

### **SECTION III - RECOGNITION AND APPLICABILITY**

The Township hereby recognizes the Mount Olive Township Public Employee's Association as the exclusive collective bargaining agent for all permanent full-time and qualified part-time employees except for police officers, supervisors, department directors, temporary and seasonal employees, and confidential or otherwise exempt employees of the Administration.

#### **SECTION IV - ASSOCIATION PRIVILEGES**

- A. Representatives of the Association may enter the Township facilities or premises at reasonable hours for the purpose of observing working conditions or assisting in the adjustment of grievances. To do so, the Association must request permission from the Mayor, Business Administrator, or one of their duly authorized designees, and such permission shall not be unreasonably withheld. Association business or meetings may be held on Township time and property, but only with the consent of the Mayor, Business Administrator or their duly authorized designee.
- B. An area of the Municipal Building, presently the kitchen, is designated as an employee lounge and in this area a bulletin board will be available for the posting of all Association notices and business.

## **SECTION V - ASSOCIATION DUES AND CHECKOFF SYSTEM**

- A. The Township agrees to deduct from the salaries and/or wages of its employees, dues for the Association. Said deductions shall be made on a bi-weekly basis. No monies shall be deducted for any employee unless the authorization form in subsection "C" below is signed and delivered to the Township Treasurer. Said monies, together with records of any corrections, shall be transmitted to the Association Treasurer by the fifteenth (15<sup>th</sup>) of each month for the pay periods in which deductions were made.
- B. If, during the life of this Agreement, there shall be any change in the rate of membership dues, the Association shall furnish to the Township written notice at least thirty (30) days prior to the effective date of such change.
- C. The Association shall provide the necessary check-off authorization forms and secure the signatures of its members on the forms and deliver the signed forms to the Township Treasurer. The Association shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by the Township arising from fault or mistake of the Association in reliance upon salary deductions.

## **SECTION VI - DUES CHECK-OFF AND REPRESENTATION FEE**

### **A. Check-Off Agreement**

The Employer agrees to deduct local Association dues and turn over such money to the fully elected Treasurer of the Association on a monthly basis. The Association will file authorization forms with the Employer, signed by each employee prior to such deduction.

### **B. Purpose of Fee**

If a member of this bargaining unit does not become a member of the Association during any membership year which is covered by this Agreement, in whole or in part, said employee will be required to pay a representation fee to this Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative. Employees excluded from joining the Association based upon their job classification are exempt from any representation fee.

### **C. Amount of Fee**

#### **1. Notification**

Prior to the beginning of each membership year, the Association will notify the Finance Director in writing of the amount of regular membership dues charged by the Association to its own members for that membership year. The representation fee to be paid by non-members may be up to eighty-five percent (85%) of the total amount of the regular Union dues.

### **D. Deduction and Transmission of Fee**

#### **1. Notification**

Once during each membership year covered in whole or in part by the Agreement, the Association will submit to the Township a list of those Association employees who have not become members of the Association for the then current Membership year. The Township will deduct from the salaries of such Employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

#### **2. Deduction Schedule**

The Township will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforementioned non-member list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

- a) Fifteen (15) days after receipt of the aforementioned non-member list by the Township, or
- b) Thirty (30) days after the employee begins his or her employment in the bargaining unit position, unless the employee previously served in a non-bargaining unit position and then became covered by this Agreement or was laid off, in which event the deductions will begin with the first paycheck paid to said employee after the resumption of the employee's employment in a bargaining unit position.

3. Termination of Employment

An employee who is terminated for any reason shall only pay that portion of the annual fees of the Association due in equal installments up to the date of termination.

4. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues.

5. Changes

The Association will notify the Finance Director in writing of any changes in the list of non-members provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than fifteen (15) days after the Finance Director received said notification.

6. New Employees

The Association will be informed of the employment of each individual eligible for membership in the Association.

7. Demand and Return System

The Association's entitlement to the above-described representation fee shall be based upon the establishment by the Association of a demand and return system in accordance with the mandates of N.J.S.A. 34:13A-5.6.

8. Hold Harmless

Provided the Employer has met its obligations pursuant to this Article, the Association agrees that it will indemnify and hold harmless the Township against

any and all actions, claims, demands, losses or expenses (including reasonable attorneys fees) in any matter arising from any action taken or inaction by the Township based upon the terms of this Article and/or the request of the Association.

## **SECTION VII - GRIEVANCE PROCEDURE**

### **A. Purpose**

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment and to resolve grievances as soon as possible so as to assure efficiency and promote employee's morale. The parties agree that this procedure will be kept as informal as may be appropriate.
2. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with the Department Head and from having the grievance adjusted without the intervention of the Association.

### **B. Definition**

1. The term "contractual grievance" as used herein means any controversy arising over the interpretation or application of the expressed terms and conditions of this Agreement. The term "administrative grievance" as used herein means any controversy arising over the interpretation or application of Township policies or administrative decisions that affect the terms and conditions of employment of the employees covered by this Agreement.
2. Both contractual grievances and administrative grievances may be raised by an individual employee or by the Association. The Association shall be represented in grievances with the Township by a committee consisting of the grievant, a member of the Executive Committee, and one other designated representative.

### **C. Steps of Grievance Procedure**

#### **Step 1**

- a) An aggrieved employee shall institute a grievance by submitting it in writing to the employee's immediate non-unit supervisor within ten (10) calendar days of the date of the occurrence giving rise to the grievance. The grievance shall state the date of the occurrence, the pertinent facts, and whether it is a contractual or administrative grievance, and, if a contractual grievance, the express terms and conditions of this Agreement alleged to have been violated. Failure to file a written statement of grievance within ten (10) calendar days of the occurrence shall bar the Association and the grievant from instituting the grievance.
- b) The non-unit supervisor or his/her designee shall render a decision in writing within ten (10) calendar days after receipt of the grievance.

## Step 2

- a) In the event the grievance has not been resolved through Step 1, the same shall be reduced to writing, including the reasons objecting to the decision, signed by the grievant and filed with the Department Director, or his designee, within five (5) calendar days after the decision was rendered by the immediate supervisor.
- b) The Department Director, or his designee, shall review the matter and render a decision within five (5) calendar days after the receipt of the grievance.

## Step 3

- a) In the event the grievance has not been resolved through Step 2, within five (5) calendar days after the Department Director or his designee has rendered a decision, the grievant may appeal to the Township Administrator, submitting therewith the grievance and the reasons for objecting to the Department Head's decision.
- b) The Township Administrator shall review the matter and render a decision in writing within five (5) calendar days after the receipt of the grievance.

## Step 4

- a) In the event the grievance has not been resolved through Step 3, within five (5) calendar days after the Township Administrator or his designee has rendered a decision, the grievant may appeal to the Mayor, submitting therewith the grievance and the reasons for objecting to the Township Administrator's decision.
- b) The Mayor shall review the matter and render a decision in writing within ten (10) calendar days after the receipt of the grievance.

## Step 5

- a) For contractual grievances not resolved or otherwise settled through Steps 1, 2, 3 and 4, the parties may invoke pre-arbitration mediation through the New Jersey State Board of Mediation or other agreed upon procedure. If the grievance remains unresolved, the Association, on behalf of the individual employee grievant, may refer the matter to binding arbitration by an arbitrator to be selected pursuant to the rules of the Public Employment Relations Commission. For administrative grievances not resolved or otherwise settled through Steps 1, 2, 3 and 4, the Association on behalf of the individual employee grievant may refer the matter to advisory arbitration by an arbitrator to be selected pursuant to the rules of

the Public Employment Relations Commission. The Association's request for arbitration must be made to PERC no later than ten (10) calendar days after receipt of the Step 4 decision of the Mayor, or within ten (10) calendar days of the completion of mediation as the case may be.

- b) No arbitration hearing shall be scheduled sooner than thirty (30) calendar days after the decision of the Mayor. In the event the grievant elects to pursue any other appellate remedy, the arbitration under Step 5 shall be barred.
- c) The arbitrator shall be bound by the express provisions of this Agreement, and restricted to the application of the facts presented which are relevant to the grievance. The arbitrator shall not have the authority to add to, modify, detract from, or alter in any way the provisions of the Agreement or any amendment or supplement thereto. The Arbitrator shall be bound by the laws of the State of New Jersey and of the United States and shall be without authority to make any decision which requires the commission of an act prohibited by law. The Arbitrator's decision shall be in writing and shall set forth in detail his findings of fact, reasoning and conclusions on the issues submitted.
- d) The costs for the services of the Arbitrator shall be shared equally by the parties. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the party incurring the same. In the event the grievance is settled prior to issuance of a written decision and award by the Arbitrator, the cost of the services of the arbitrator shall be split equally between the Township and the Association.
- e) Effect of Time Limits

Failure on the part of the grievant or the Association to comply within the time limits applicable to the several steps of the grievance procedure shall bar any further processing of the grievance. At any step of the grievance procedure, if a decision has not been received by the grievant and/or the Association within the stipulated time limit, the grievance shall be deemed to have been denied. In such an event, the applicable time limits for the proceeding to the next step of the grievance procedure shall commence upon expiration of the time when the decision was to have been received.
