

## CLARIFICATION NO. 1

### EMERGENCY RESPONSE COST RECOVERY BILLING & COLLECTION SERVICES

#### RFP #01-2023

The following questions were submitted by a prospective bidder on February 22, 2023:

1. Since we are a foreign billing agency doing business in the State of Washington, will that eliminate us from consideration?  
**A: No**
2. Being a Washington company do we need a business registration since we are an out-of-state entity?  
**A: Yes. Prior to contract award or authorization, the contractor shall provide the Township with its proof of business registration.**
3. Who is doing your EMS billing? Are you going to go out to bid on this?  
**A: The current contractor is Atlantic Ambulance. The Township will solicit bids in 2024.**
4. Is cost recovery a new program for Mount Olive? Have you ever had a cost recovery program?  
**A: Yes. No.**
5. What software are you using for RMS (Run Management System)?  
**A: The Township uses emergency reporting software.**
6. What is the anticipated start date for your new contract?  
**A: As soon as possible.**
7. Are you open to looking at other incident types for collections?  
**A: Currently only looking for motor vehicle accidents and HAZMAT.**
8. Is your team open to suggestions and new ways to run a program, in particular, open to billing actual cost?  
**A: Not at this time.**
